Wheeled Storage Container (350ltr) - PSB1W

PRODUCT OVERVIEW

Backed by our 3 year guarantee

Rotationally moulded from medium density UV stabilised polyethylene, this container is suitable for use with liquids or dry powders. It has fork channels for easy movement and a push fit lid, optional lock and hinge kit PSB1LH is available to provide a more secure lid if required. If you require a lockable lid please order at the same time and we will fit prior to shipping.

You will require an appropriate size/capacity fork lift truck to offload this item from the delivery vehicle. Our standard delivery doesn't include any offloading.

100% polyethylene for chemical compatability

UV Stabilised

PSB1LH is an optional lock and key set for both the PSB1 and PSB1W
