

## WORKSafe® WATERPROOF REUSABLE MASK

### RESPIRATORY PROTECTION

Breathe easy with this durable reusable mask. Easy to wash and maintain, this mask offers three layers of protection for three times the assurance.

The waterproof outer layer repels droplets, while the inner layer of silver ion fabric filters out 99% of biological hazards.

#### Features:

1. Reusable: simply wash to clean
2. Mask dimensions provide maximum coverage from nose to chin
3. Stretchable earloops ensure good universal fit
4. Waterproof layer prevents dust and droplet ingress
5. Pocket for easy access to removable filter

#### Cleaning directions:

- Hand wash in water not exceeding 40°C, then air dry.
- Do not tumble dry, iron or use bleach.
