

Aerosolv® 6163 Combination Coalescing Carbon Filter - 28197

Product Images

Short Description

AEROSOLV® AEROSOL
CAN RECYCLING

Key Benefits

- Combination Coalescing/Carbon Filter replacement
- Non-color changing

Description

The two-piece replaces the entire combination filter coalescing filter and carbon cartridge in the Aerosolv® System. Captures odors and harmful VOCs released by punctured aerosol cans.
