THE SAFETY SHOE

Product Specification Sheet

BATA INDUSTRIAL® SUMM FIVE (759-63595) SUMM COLLECTION

SUMM+ FIVE is a mid cut S3 ESD certified safety shoe with BOA® Fit System for a fast, effortless and precision fit. The upper is made from high quality full grain leather and textile.

SUMM+ FIVE features a lightweight aluminum toecap and FlexGuard® composite penetration resistant insert for ultimate protection. The Premium Fit inlay sole combined with a PU/TPU-sole delivers great comfort and stability. The TPU-outsole is SRC certified and gives you excellent grip.

A closer look at the sole reveals the technology: the increased profile surface offers optimal slip resistance and the angled heel provides high stability while giving the shoe a sporty look. The breathable mesh lining and Odor Control keep feet feeling fresh. It's the SUMM of all you need in a safety shoe.
