

BATA INDUSTRIALS
THE SAFETY SHOE

Product Specification Sheet

BATA INDUSTRIAL® SUMM ONE (759-63591) SUMM COLLECTION

SUMM+ ONE is a S3 and ESD certified mid cut safety shoe made from strong and flexible technical nylon.

Featuring an aluminum toecap and FlexGuard® composite penetration resistant insert for ultimate protection. The breathable mesh lining and Odor Control keep feet feeling fresh, all day long. For maximum grip, the TPU-outsole provides the highest level of SRC slip resistance.

A closer look reveals the technology: the increased profile surface of the PU/TPU-sole offers optimal slip resistance and the angled heel provides high stability on the job while giving the shoe a sporty look. The Premium Fit inlay sole offers great comfort, shock absorption and stability. It's the SUMM of all you need in a safety shoe.

PRODUCT CODE
800BAT75963591SX

Brand	Bata Industrial	Model	SUMM ONE
Type	SUMM	Product Code	800BAT75963591SX
