THE SAFETY SHOE

Product Specification Sheet

## BATA INDUSTRIAL® SUMM SIX (719-63596)

### SUMM COLLECTION

SUMM+ SIX is a microfiber and textile low cut S3 and ESD safety shoe that's lightweight yet extremely durable. It's equipped an aluminum toecap and FlexGuard® composite penetration resistant insert for excellent protection.

The PU/TPU (SRC) sole features some advanced technology: the increased profile surface offers optimal slip resistance and the angled heel provides high stability on the job while giving the shoe a sporty look. With a Premium Fit inlay sole for great comfort, shock absorption and stability. The breathable mesh lining with Odor Control keeps feet feeling fresh, all day long. It's the SUMM of all you need in a safety shoe.
