

BATA INDUSTRIALS
THE SAFETY SHOE

Product Specification Sheet

BATA INDUSTRIAL® SUMM TWO (719-63592) SUMM COLLECTION

SUMM+ TWO is a S3 and ESD certified low cut safety shoe made from strong and flexible technical nylon. The breathable mesh lining and Odor Control keep feet feeling fresh.

SUMM+ TWO features an aluminum toecap and FlexGuard® composite penetration resistant insert for ultimate safety. The TPU-outsole provides the highest level of SRC slip resistance. A closer look reveals the technology: the increased profile surface of the PU/TPU-sole offers optimal slip resistance and the angled heel provides high stability on the job while giving the shoe a sporty look. Equipped with our Premium Fit inlay sole for great comfort, shock absorption and stability.

Safety + durability + comfort + style = the SUMM of everything you need in a safety shoe.
