

PIG® Empty Quick-Response Spill Cart

PAK1968 24.11" x 23.5" x 38.25", (2) 7" HDPE Wheels

Roll to any spill fast and fully prepared with this mobile, high-visibility spill kit that comes empty and ready to fill with all the easily accessible absorbents and supplies that *you* need most.

- Load this empty spill kit cart's roomy inside with enough supplies for up to 20 gallons-worth of absorption and stay ready to respond to any small or medium spills around your facility; dimensions listed are approximate
- React quickly to spills by tipping the cart back, rolling its narrow frame through doorways and maneuvering easily across uneven surfaces on the 7-inch anti-snag wheels
- Handle the full spill-response process without hassle, thanks to this spill cart's high-visibility yellow color that's easy to find right away and alerts passersby during a spill, and its front-loading doors that open wide for grabbing supplies but can be locked when not in use; store anywhere indoors
