BUMPCAP

The Surflex Bumpcap is a revolutionary step forward in head protection. The removable ergonomic protective shell composed of ABS polyvac provides maximum safety and comfort using stabilizers, anti shock foam cushioning, ventilation points and an anti sweat band.

The light weight machine washable nylon shell with large side ventilation panels provides optimum comfort, with an adjustable Velcro strap for easy adjustment.

Retroreflective tape on the bill, side panels and rear strap provide 360 degree night visibility.

The available integrated Ultra-bright LED lights with a brim switch replaces the need for bulky headlamps without sacrificing any comfort or safety features.
