

WORKGard® E3068

SAFETY PLANO EYEWEAR

This essential pair of polycarbonate eyewear offers great value, durability and defense in a low-profile form factor.

- Clear and light translucent frame
- Durable anti-fog lenses
- Complies with ANZI/ISEA Z87.1-2020 and SS473:2011 standards

**

Do not use cleaning solutions on AF-coated lenses to prevent damage.
