

WORKSafe® AIRSPEX E3032

PLANO EYEWEAR

Bid goodbye to boring overspecs design with the arrival of WORKSafe® Airspex. A fashionable piece with bold, sleekly designed ventilated temples and red rubber temple tips add a tinge of style and excitement to the user. WORKSafe® Airspex can be worn over prescription glasses or on its own as safety spectacles or sunglasses.

- Ventilated temples increase aeration and minimise fogging while upping the fashion quotient
- Dual density injected anti-slip skull-grip temples
- Complies with ANSI/ISEA Z87.1-2010 and SS473:2011 standards
