

WORKSafe® RAZOR E3067

PLANO EYEWEAR

The WORKSafe Razor eyewear combines sharp looks with great protection. These stylish glasses can be worn over prescription eyewear to provide great protection from impact forces. These extreme overspecs even provide protection against high speed particles at extreme temperature conditions. (between -5°C and 55°C)

- Suitable for eye protection from welding work
- Wraparound frame maximises peripheral vision and protection
- Lightweight impact-resistant polycarbonate frame
- Anti-fog coating prevents misting
- Integrated universal-fit nose pads
- Complies with EN166:2001 and SS473:2011 standards
