

WORKSafe® VECTOR E3062

SAFETY EYEWEAR

VECTOR glasses provide serious protection for serious work. Durable and rugged without sacrificing comfort, these reliable frames offer your eyes the defences they deserve.

- 3-point temple adjustments allow greater face & cheek coverage
- Lightweight and durable TR90 lens carrier.
- Impact-resistant polycarbonate frame and lens with ventilation.
- Integrated nose pads.
- Tested to ANSI Z87.1-2015 standard and complies with SS473:2011 standards.

PRODUCT CODE

WSE3062-C2

Matt red frame, Clear Lens HC

Brand	WORKSafe	Model	Vector E3062
Type	Safety Prescription	Standards	SS473:2011
Weight	41.3g	Complies With	ANZI/ISEA Z87.1-2015
Frame Height	45mm	Bridge Width	15mm
Lens Thickness	2mm	Hinge-hinge (Inner Width)	140mm
Lens Base Curve	5	Temple Length (Lens-Tip)	155mm
Lens Coating	Hard coating (HC)	Lens	Polycarbonate (PC)
Front Frame	Polycarbonate (PC)	Lens Carrier	TR90
Temple Front	Nylon	Temple Rivet	Polycarbonate (PC)
Temple Back	Polycarbonate (PC)	Temple Tip	Thermoplastic Rubber (TPR)
Screw	Stainless Steel	Nose Pad	Thermoplastic Rubber (TPR)
