WEARITE® by WORKSafe®

The WEARITE® brand represents an extensive range of workwear, safety, promotional and leisure apparel that can help you build your corporate image. WEARITE® can contribute to a significant part of your branding profile with your own brand logos and slogans. Standardise your crews, and build a sense of identity, camaraderie and brotherhood with our workwear. We have a wide range of colours to choose from.

WEARITE® is not judgmental. WEARITE® can cater to big spenders and to the budget-conscious. Our repertoire does not just include the usual trousers, shirts, jackets, coveralls, lab-coats, t-shirts and polo-tees, we can do it made-to-order! So call our WEARITE® representatives, and they'll be absolutely delighted to head over to your office premises, your factory, your work-site, to show you how WEARITE® can help your company.
