## Regulation (EU) 2016/425

Module B, EU type-examination

Issue 1

### PPE Product

Reusable chemical protective one-piece COMB suit, models COWL (hooded) and SIREN (collared). Constructed with liquid-tight seams, a zipper covered with a plain internal flap and double outer storm flaps. Available in seven different materials and with a variety of design options. Refer to annex 1 for available sizes, materials and design options.

It is certified that the manufacturer's technical file and the above mentioned PPE have been assessed and found to meet the applicable Essential Health and Safety Requirements in Annex II of Regulation (EU) 2016/425 Personal Protective Equipment

The following have been applied:

EN 14605:2005 + A1:2009 (Type 3 & Type 4: Reusable, full body protective clothing against liquid chemicals with liquid-tight & spray-tight connections).

This certificate is issued on the strict condition that appropriate checks on manufactured PPE, as detailed in Article 19 (c) of the Regulation are implemented and maintained while the model is in production

Certification is based on technical file references: TF085 Issue C & TF103 Issue B.

SGS Reference Number UK/CRS 237717.

<sup>1</sup> The validity of this certificate may have to be reviewed in the light of new or amended harmonised standards

This certificate remains the property of SGS United Kingdom Ltd to whom it must be returned on request.
