

Sure-Grip® EX Slimline Safety Cabinets for Corrosives

Compact footprint offers versatile storage options

- Same safety features as Justrite’s larger corrosive safety cabinets, in a footprint that fits the tightest spaces
- Independently fire tested and approved by FM Approvals
- Modular size fits nicely alongside existing safety cabinets to expand storage capacity
- Includes polyethylene trays that fit on top of three galvanized steel SpillSlope® safety shelves

Sure-Grip® EX Countertop and Compac Safety Cabinets for Corrosives

Make the most of your available space

- Keep your most frequently used fluids close at hand
- Same safety features as Justrite’s larger size corrosive safety cabinet, for use on countertop or free-standing for smaller quantities of corrosives
- Baked-on blue epoxy powder-coat finish to resist acids, bases, and solvents
- Steel shelves include polyethylene liner and a separate polyethylene liner at bottom sump that removes for easy cleaning
