

SPECIFICATION SHEET

PROFLOW 2 SC 160 POWERED AIR

Product Code:

2029808

Selling UOM:

Each

Pack Size:

1

- 160 l/min flow rate for increased comfort and protection
- Electronic control compensates for higher filter resistance to ensure correct flow is maintained
- Lightweight NiMH battery provides full shift operation
- On board chip data logs all usage which is downloadable to provide full service and maintenance information
- Conforms to EN12941 & EN12942

This system includes a powered air unit, battery, charger and comfort belt. Filters, hose, and headtop will need to be ordered separately.
