ALTILIGNE - Lifeline system - Components

TG

ABS55		Energy absorber < 10 kN	218,00 €
PND-50		Pretensioner - tension 50 kg	187,00 €
TSL3		Crimped tensioner	193,00 €
TSL2		Manual tensioner	285,00 €
ES-2		Crimped end piece with articulated shackle	84,40 €
EC		Manual end piece	155,00 €
IFR90		Fixed intermediate piece	78,70 €
IMR		Moving intermediate piece	97,50 €
A135		135° angle piece	188,00 €
A90		90° angle piece	215,00 €
ANG		Angle piece for post	258,00 €

CI8		8 mm 7*7 stainless steel cable with VERTIC bolduc incorporated	6,70 €
F1		Cutting and end setting of cable at required length	42,00 €
PS.EXP		Multilingual safety sign (FR / UK / DE / SP / NL / IT / PT)	26,20 €
PS.EXP2		Multilingual safety sign (SWE / FIN / NOR / DNK / POL / CZE)	26,20 €
CMS3		Single moving carriage	289,00 €
CMS3-KR		Carriage with roller bearing kit	451,00 €
CMB		Travelling, locking carriage with karabiner	309,00 €
CMBR		Reversible, travelling, locking carriage with karabiner	657,00 €
SERT.01 *		Electro-hydraulic crimping tool *	1 890 €
TEND01 *		Tensioning kit for lifeline installation (lever hoist + 2 clamps)*	340,00 €
GRCU200 *		Copper grease / 200g tube *	99,00 €
GRCU20 *		Copper grease / 20g stick *	12,30 €

* no discount on this product

ABS55		Energy absorber < 10 kN	218,00 €
BA.TSL2-50		Eyelet tensioner - Tension 50 kg	181,00 €
BA.TSL3-50		Crimped tensioner - Tension 50 kg	174,00 €
ES-2		Crimped end piece with articulated shackle	84,40 €
BA.EXT2		Manual end piece	40,00 €
BA.INT2		Intermediate piece	60,70 €
BA.ANG2		Corner piece	88,40 €
BA.ANGSA		Corner piece for facade	37,00 €
CI8		8 mm 7*7 stainless steel cable with VERTIC bolduc incorporated	6,70 €
F1		Cutting and end setting of cable at required length	42,00 €
CTR.		Automatic safety karabiner	14,20 €
PS.EXP		Multilingual safety sign (FR / UK / DE / SP / NL / IT / PT)	26,20 €

<p>PS.EXP2</p>		<p>Multilingual safety sign (SWE / FIN / NOR / DNK / POL / CZE)</p>	<p>26,20 €</p>
<p>BA.KIT15</p>		<p>BATILIGNE Kit 15 m length</p>	<p>660,00 €</p>
<p>BA.KIT20</p>		<p>BATILIGNE Kit 20 m length Upon request / NO STOCK</p>	<p>755,00 €</p>
<p>BA.KIT30</p>		<p>BATILIGNE Kit 30 m length</p>	<p>822,00 €</p>
<p>BA.KIT40</p>		<p>BATILIGNE Kit 40 m length</p>	<p>949,00 €</p>

VERTILIGNE FALL ARREST SYSTEM - Components

TG

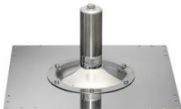

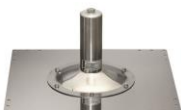

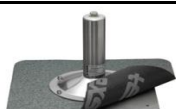

EVH2		Vertical upper end (with electro hydraulic crimping)	70,00 €
EVB3		Vertical lower end - easy fit of runner	88,50 €
IFV		Fix intermediate piece	75,50 €
IMV		Mobile intermediate piece	75,50 €
ESC8		Removable C18 cable-locking end piece	31,00 €
BAG01		Crimped C18 cable-locking end piece	13,80 €
CI8		8 mm 7*7 stainless steel cable with VERTIC bolduc incorporated	6,70 €
F1		Cutting and end setting of cable at required length	42,00 €
PS.V		Multilingual safety sign	19,50 €
CMB		Travelling, locking carriage with karabiner	309,00 €
SHL1		Tabular mast fixing - 60 to 140 mm	81,00 €

SHL4		Lower part for ladder or mast fixings - 27 to 48 mm	44,70 €
SVH		Upper part for ladder or mast fixings - 27 to 47 mm	54,00 €
SBP		Lower support part VERTILIGNE for concrete wall	27,20 €
PHR		Extension piece for ladder	249,00 €

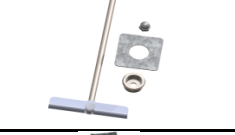

ALTIFIX - Lifeline fixing or anchor points

TG

AFX1		ALTIFIX for steel deck	239 €
AFX2-FR		ALTIFIX for steel deck - Distance 250, 280, 333 mm	248 €
AFX2-ES		ALTIFIX for steel deck - Distance 415, 430 mm	262 €
AFX2-SPECIF		Specific ALTIFIX for steel deck. Length to be confirmed (certification not included)	283 €
AFXKAL1		ALTIFIX for aluminium covers with upright joints (fixing included)	289 €
AFXKAL-SPECIF		Specific ALTIFIX for aluminium deck. Length to be confirmed (certification not included)	315 €
AFX-BM		ALTIFIX for bituminous seal (membrane color = Grey / green. Other colors are available : red, black, white, green, to be confirmed on the order)	272 €
AFX-BM-SM		ALTIFIX for bituminous seal (without membrane)	248 €
AFX-BM-EP		ELECTROPOLISHED ALTIFIX for bituminous seal (without membrane)	261 €
AFX-PVC		ALTIFIX for PVC sealing	272 €
AFX-PVC-SM		ALTIFIX for PVC sealing (without membrane)	248 €

AFX-PVC-EP		ELECTROPOLISHED ALTIFIX for PVC sealing (without membrane)	261 €
AFX-ZN		ALTIFIX for Zinc / Copper cover	246 €
AFX-ZNJD		ALTIFIX for Zinc cover fixing on upright joints	320 €
AFX-FC		ALTIFIX for asbesto-cement roof	220 €
AFXBAC-PA		Anchor point for steel deck Distance 250, 280, 304, 333 mm	120 €
AFXBACO-PA		Anchor point for steel deck Ondulit / Coverib 850 / Coverib 1000	120 €
AFXBAC-PA-ES		Anchor point for steel deck - Distance 415, 430 mm	120 €
AFXBAC-PA-SPECIF		Anchor point for steel deck - Specific distance	140 €
AFXKAL2		Anchor point for aluminium covers with upright joints (fixing included)	239 €
AFXKAL2-SPECIF		Specific Anchor point for aluminium covers with upright joints (fixing included). Length to be confirmed (certification not included).	261 €
AFX-BM-PA		Anchor point for bituminous seal (membrane color = Grey / green). Other colors are available : red, black, white, green, to be confirmed on the order)	212 €
AFX-BM-PA-SM		Anchor point for bituminous seal (without membrane)	188 €
AFX-BM-PA-EP		Electropolished anchor point for bituminous seal (without membrane)	201 €

AFX-PVC-PA		Anchor point for isolated roof with PVC membrane	212 €
AFX-PVC-PA-SM		Anchor point for isolated roof with PVC membrane (without membrane)	188 €
AFX-PVC-PA-EP		Electropolished anchor point for isolated roof with PVC membrane (without membrane)	201 €
AFX-ZN-PA		Anchor point for wooden roof with zinc or copper cover	188 €
CHAP-DECL		ALTIFIX cap with releasing tube	188 €
AFX-CHAPEAU-EP		ELECTROPOLISHED ALTIFIX cap with releasing tube	197 €
CHAP-PA		ALTIFIX cap for Altifix BM / PVC or ZN anchor point	130 €
CHAP-PA-EP		ELECTROPOLISHED ALTIFIX cap for Altifix BM / PVC or ZN anchor point	146 €
CHAP-R.SUP		ALTIFIX cap for Altifix BM / PVC or ZN rail support	141 €
PL-2FR		ALTIFIX baseplate for steel deck - Distance 250, 280, 333 mm	73 €
PL-BM		ALTIFIX baseplate for bituminous seal (membrane color = Grey / green)	84 €
PL-PVC		ALTIFIX baseplate for PVC sealing	84 €
PL-ZN		ALTIFIX baseplate for Zinc / Copper cover	58 €

KV1A		Fixing kit for AFX1 for folded steel section	16,50 €
KV1M		Fixing kit for AFX1 for metal beam	26,60 €
KV-BAC		Fixing kit for AFX2-FR / AFX2-ES / AFXBAC-PA / AFXBACO-PA / AFXBAC-ES-PA on steel deck	22,00 €
KV.BACALU		Fixing kit for AFXBAC-PA / AFXBACO-PA / AFXBAC-ES-PA on aluminium deck	16,50 €
KV.BSE1		Fixing kit for AFX-BM or AFX-PVC for 130 mm max insulating material	35,00 €
KV.BSE2		Fixing kit for AFX-BM or AFX-PVC for 230 mm max insulating material	39,00 €
KV.BSE3		Fixing kit for AFX-BM or AFX-PVC for 330 mm max insulating material	43,00 €
KV.BBC300		Insulation kit for AFX-BM or AFX-PVC (300 mm max insulating material)	12,50 €
KV.BBC600		Insulation kit for AFX-BM or AFX-PVC (600 mm max insulating material)	18,50 €
KV.ZN		Fixing kit for AFX-ZN (4 hinged fixing)	120,00 €
ANCR.AFX		Fixing for AFX-BM or AFX-PVC posts on concrete pave (Chemical anchorage)	20,00 €
KV.FC		Fixing kit for AFX.FC on asbesto-cement roof / metal frame	44,60 €
KVR.BAC		Reinforcement kit of screw for extremities and corners on steel roof (160 mm max insulating material)	10,30 €

KVR.BAC2		Reinforcement kit of screw for extremities and corners on steel roof (280 mm max insulating material)	14,40 €
KVR.BAC3		Reinforcement kit of screw for extremities and corners on steel roof (400 mm max insulating material)	18,50 €
KVR.BET		Reinforcement kit of screw for extremities and corners on concrete pave	10,30 €
KV.4FIX2		Fixing kit for AFX-BM or AFX-PVC for 130 mm max insulating material	90,00 €
290359		Counter plate for ALTIFIX installation on CTBH	15,00 €
PEX.AFX		Fixing ring for Altifix post	39,50 €
AFX-OUTP *		Tool for Altifix BM & PVC drilling *	58,00 €
SIK-CL *		Sika cleaner / 5 liters *	48,00 €
SIK-PVC *		Light gray Liquid Sika PVC / 2 Liters *	36,00 €
SIK-PI *		Liquid PVC dispenser *	8,00 €
LEISTER *		LEISTER set to weld the PVC membrane*	640,00 €

** no discount on this product*

FIXING AND SUPPORTS

TG

PST1		Standard post - 480 mm high (galvanised steel)	73,00 €
PST2		Standard post - 480 mm high (galvanised steel) for CONCRETE INSTALLATION	73,00 €
PST-IS		Insulated standard post - 480 mm high (galvanised steel)	95,00 €
PST-250		Standard post - 250 mm high (galvanised steel)	73,00 €
PST-C		Standard square post - 480 mm high (galvanised steel) upon request : NO STOCK	73,00 €
PSTINX1		Standard post - 480 mm high (stainless steel) upon request : NO STOCK	195,00 €
KB1		Fixing kit for post on beam 80 to 150 mm, height = 300 mm max	67,80 €
KB1P		Simple fixing kit on beam 80 to 150 mm, height = 300 mm max	48,40 €
KB2		Fixing kit for post on beam 150 to 250 mm, height = 500 mm max	81,00 €
KB2P		Simple fixing kit on beam 150 to 250 mm, height = 500 mm max	50,40 €
KC1		Kit 4 clamps for post on beam 80 to 150 mm	67,80 €

KC1P		Kit 2 clamps for post on beam 80 to 150 mm	44,00 €
KC2		Kit 4 clamps for post on beam 150 to 250 mm	81,00 €
KC2P		Kit 2 clamps for post on beam 150 to 250 mm	50,40 €
R.EQG		Galvanised steel support for mounting on facade	21,90 €
T		T part	81,50 €
PEX		Extremity plate for post	15,40 €
A0001		Quick link CE stainless steel n°10	31,00 €
FALU1		Aluminium sleeve for PST1	51,50 €
FALUKIT		Aluminium sleeve kit (including bitumen membrane) for PST1	93,50 €
FPVC1		PVC Sleeve for PST1	61,80 €
KEFP-TUIL		Lead sleeve for PST1 on tile (600*400 mm base plate)	97,80 €
CHPIPEC4EC		PIPECO N°4 connection with square base plate and fixing kit with self-drilling screw	72,00 €
MASTIC *		Construction silicone sealant glue / grey color *	6,00 €

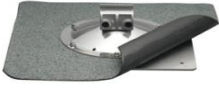

** no discount on this product*

SAFETY RAIL SYSTEMS - Components

TG

R.RAIL1		Extruded aluminium rail profile, provided in length 1 m	43,00 €
R.RAIL1,5		Extruded aluminium rail profile, provided in length 1,5 m	64,00 €
R.RAIL3		Extruded aluminium rail profile, provided in length 3 m	112,00 €
R.PVA1*		Extra cost for coating "anodisation" 15-20 microns. Price per meter *	15,00 €
R.PVA2*		Extra cost for coating "anodisation" 20-25 microns. Price per meter *	17,00 €
R.PVA3*		Extra cost for coating "anodisation" 80 microns. Price per meter *	26,00 €
R.EXTF		Fixed end stop	33,00 €
R.BE		Retractable end stop (enables the carriage to be fitted at the end of the rail)	135,00 €
R.ECL		Rail coupling block (aluminium rail)	33,00 €
R.A90S		Corner curved at 90° for salient corner - lateral circulation	126,00 €
R.A90E		Corner curved at 90° for re-entrant corner - lateral circulation	115,00 €

R.A90S2		Corner curved at 90° for salient corner - under rail circulation	126,00 €
R.A90E2		Corner curved at 90° for re-entrant corner - under rail circulation	115,00 €
R.ASPECIF		Specific curved corner adapted to your needs	175,00 €
R.SUP		Rail support	51,00 €
R.AFX_ST		For fixing on steel deck roof. Distance 250, 280, 333mm. Ref. R.SUP included / fixing kit not included	187,00 €
R.AFX_ST.ES		For fixing on steel deck roof. Distance 415 and 430 mm. Ref. R.SUP included / fixing kit not included	200,00 €
R.AFX_BM		For fixing on isolated roof with bitumen membrane on steel deck or concrete (membrane color : Grey / green. Other colors are available (red, black, white, green), to be confirmed on the order. Ref. R.SUP included / fixing kit not included	225,00 €
R.AFX_ZN		For fixing on wooden roof with zinc or copper cover. Ref. R.SUP included / fixing kit not included	170,00 €
R.AFX_PVC		For fixing on isolated roof with PVC membrane on steel deck or concrete. Ref. R.SUP included / fixing kit not included	225,00 €
R.AFX_AL		For fixing on standing seam aluminium roof Ref. R.SUP included / fixing kit not included	243,00 €
R.AFX_FC		For fixing on metallic beam and asbesto-cement roof. Ref. R.SUP included / fixing kit not included	172,00 €
R.EQI		Stainless steel support for lateral mounting on a post	22,00 €
R.SUPECH		Support for fixing a rail to a ladder	32,00 €

R.DET		Mistake-proofing	64,00 €
R.CF2		Carriage for rail safety system	243,00 €
R.CF3		Ball bearing runner	252,00 €
R.CB		Unidirectional locking carriage for vertical rail safety system	356,00 €
R.CB2		Bidirectional inertial locking carriage for COMBIRAIL rail safety system	416,00 €
R.PS		Safety sign for rail system (FR / UK / DE / SP / NL / IT / PT)	16,00 €
R.RO		Runner entry / exit	341,00 €
R.ANTIR		Nonreturn	59,00 €
R.AIG3D		Switch 3 directions	591,00 €
R.AIG4D		Switch 4 directions	611,00 €
R.AIG3D.M		Motorized switch 3 directions	3 400,00 €
R.AIG4DM		Motorized switch 4 directions	3 400,00 €
R.REM3		3 buttons remote control for motorized switch	190,00 €

R.REM10		10 buttons remote control for motorized switch SOON AVAILABLE	-
R.CF2M		Carriage for motorized switch	270,00 €
R.CF3M		Carriage for motorized switch and work under loads	295,00 €
R.F1		Specific rail cutting	43,00 €
R.OUTP *		Tool for rail drilling *	215 € *

** no discount on this product*

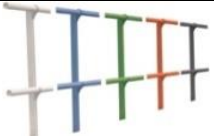

ALTILISSE - Components

TG

AL-A.M		Straight upright in extruded aluminium (length depends on layout) Delivered with assembly kit of top and middle rail pre-assembled	27,00 €
AL-A.MC		Cranked upright (length depends on layout) Delivered with assembly kit of top and middle rail pre-assembled	30,50 €
AL-A.REO		Montant droit pour réhausse d'acrotère en aluminium extrudé. Delivered with assembly kit of top rail pre-assembled	18,50 €
AL-A.REOC		Montant coudé pour réhausse d'acrotère en aluminium extrudé. Delivered with assembly kit of top rail pre-assembled	22,00 €
AL-A.SV		Vertical mounting plate	23,50 €
AL-A.SL		Side mounting plate	24,00 €
AL-A.SD		Offset mounting plate	33,00 €
AL-A.IAI		Interface for insulated parapet	32,00 €
AL-A.SLDR		Folding straight upright assembly side fixing	95,80 €
AL-A.SLCR		Folding bent upright assembly side fixing	99,40 €
AL-A.EL		Assembly unit with counterweight	75,00 €

AL-A.ELVP		Assembly unit with counterweight with clamps	94,50 €
AL-A.ELDR		Folding freestanding straight assembly	118,40 €
AL-A.ELCR		Folding freestanding bent assembly	118,40 €
AL-A.EBD		Straight assembly unit for steel roofing	97,80 €
AL-A.EBC		Bent assembly unit for steel roofing	97,80 €
AL-LISSE		Tube for top and middle rail (provided in length 3m)	22,60 €
AL-BOUCH		End plug for top and middle rail	0,52 €
AL-EXTM		Wall extremity	18,60 €
AL-ANG90		Corner tube curved at 90° for top rail and middle rail (both extremities include the joint bars)	14,40 €
AL-EAA		Articulated corner coupling	14,50 €
AL-EAR		Corner coupling for folding guardrail	21,60 €
AL-PAL		Aluminium plinth h=150mm (provided in length 3m fixing included)	34,00 €
AL-A.BAP		Plinth corner coupling	4,50 €

AL-A.BP		Plinth end plug	2,50 €
ANCRCM10		Chemical anchorage stainless steel M10 (<i>need 2 per vertical post</i>). Concrete thickness >120mm.	9,50 €
ANCRCM10-ZN		Chemical galvanized anchorage M10 (<i>need 2 per vertical post</i>). Concrete thickness >120mm.	5,50 €
ANCRM10M-ZN		Mecanic galvanized anchorage M10 (<i>need 2 per vertical post</i>). Concrete thickness >150mm.	5,50 €
ANCRM10M2-ZN		Mecanic galvanized anchorage stainless steel M10 (<i>need 2 per vertical post</i>). Concrete thickness from 80 to 110mm.	7,50 €
AL-KM		Fixing kit for metal parapet (2 screws + 2 inserts thickness 2,5 to 5,5 mm)	5,80 €
AL-LAQ AL-LAQ.L		Lacquering finish - RAL to be confirmed - Price per meter *	9,00 €
PINS1 *		Manual tool to install the M10 and M12 inserts*	760,00 €

* no discount on this product

SIGNALING

POTO-L		Galvanised steel post + counterweight	29,00 €
POTO-B		Aluminium post for steel roof	29,00 €
CHAINPVC		PVC red and white small chain / 25 m roll	66,00 €

ANCHOR POINTS

TG

ANCHOR POINT

PA		Anchor plate	11,60 €
AN.P		Mobil anchorage ring for post	12,60 €
PLFIXV		Mounting plate	25,50 €

BFX-S		Anchor point for sinusoidal steel deck (fixing included)	72,00 €
BFX-T		Anchor point for trapezoidal steel deck (fixing included)	72,00 €
BFXA-T		Anchor point for trapezoidal aluminium deck (fixing included)	72,00 €

ANCHOR POINT WITH HOOK FOR LADDER

BFX-SC		Anchor point with hook for ladder for sinusoidal steel deck (fixing included)	87,50 €
BFX-TC		Anchor point with hook for ladder for trapezoidal steel deck (fixing included)	87,50 €
BFXA-TC		Anchor point with hook for ladder for trapezoidal aluminium deck (fixing included)	87,50 €

FIXING KITS

291029		Kit of 20 self-tapping screws with sealing ring (for steel deck fixing)	14,40 €
--------	---	---	---------

291030		Kit of 20 sealed rivets (for aluminium deck fixing of BFX-T and BFX-TC only)	14,40 €
--------	---	---	---------

ALTIWOOD

BWOOD		Anchor point for tile roof (fixing included)	44,20 €
BWOOD-C		Anchor point for tile roof with hook for ladder (fixing included)	49,20 €
BWOOD-C8012		Lacquered anchor point for tile roof with hook for ladder (fixing included)	54,60 €
BWOODS		Anchor point for tile roof (fixing included)	37,00 €
BWOODS-C		Anchor point for tile roof with hook for ladder (fixing included)	42,00 €
BWOODS-C8012		Lacquered anchor point for tile roof with hook for ladder (fixing included)	47,50 €

TG

CRO		Facade hooks classic version	29,00 €
CRO-REG		Adjustable roof hooks	69,00 €
CRO-STD		Simple version roof hooks	58,00 €
CRO-FIX		Fixings for steel deck roof hooks	16,00 €
