

Hard Covered Spill Pallet - BP2HCS

Manufactured from medium density polyethylene, this spill pallet has a hard cover and roller shutter door fitted with a central lock and two handles for easy opening and closing. The unit is fitted with a shelf to allow you to store a range of containers above the sump, which complies with all the UK regulations relating to sump capacities and comes complete with an injection moulded removable plastic mesh deck.

Delivered fully assembled ready for use

You will require an appropriate size/capacity fork lift truck to offload this item from the delivery vehicle. Our standard delivery doesn't include any off-loading.
