

## Double-Blade Squeegee

CLN254 Squeegee, For Chemicals, 18"

Double-blade PVC squeegees last twice as long and won't splash.

- Chemical-resistant PVC blades leave floors free of liquid and streaks
- Two blades double the service life because the head flips, and the unused blade acts as a splashguard
- Non-sparking, easy-to-clean PVC won't rust or corrode
- 60" handle sold separately (CLN253)
