

## Non-Sparking Tool Kit

GEN310 For Flammable Atmospheres, Deluxe,  
9.5" x 16" x 9.5"

Preassembled kits include the most common non-sparking tools for work around flammables.

- Aluminum bronze tool set is designed for safe handling in hazardous environments
- Tools are non-sparking for use where flammable or combustible dusts, liquids or vapors are present
- Non-magnetic properties are ideal for use in cleanrooms and near sensitive equipment
- FM Approved
- Helps you meet 29 CFR 1910.120 (j)(2)(v) requiring hand-tools appropriate for flammable atmospheres
