

PIG® Elephant Absorbent Mat Roll

MAT234 Mediumweight, 33" x 150', 1 roll

Absorbent mat with zigzag stitching for extreme durability.

- Absorbs everything, works everywhere; that's why more plants worldwide use PIG Mat than any other brand
- Highly absorbent eight-layer PIG Mat is zigzag stitched to offer excellent walk-on durability
- Designed specifically for heavy foot traffic or moderate to light wheeled traffic; put the zigzag side up to extend product life
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fiber construction won't leave liquids or fiber residue behind
- Absorbs most common industrial liquids - oils, water, solvents, coolants and more
- Absorbed leaks and drips blend right in; dark gray color hides grime so mat stays on the job longer
- Flame-resistant material won't burn immediately like cellulose mats; melts when exposed to high heat while on the job
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Rolls are ideal for walkways and large areas to soak up leaks and overspray
