

PIG® Green Ham-O® Absorbent Mat Pad in Dispenser Box

MAT268 Heavyweight, 16" x 20", 100 pads

Distinctive Ham-O top conceals absorbed leaks and drips. Scuff-resistant top layer stands up to foot traffic in aisles and walkways.

- Lasts 2X longer than ordinary mats for fewer change-outs, absorbs everything, works everywhere; that's why more plants worldwide use PIG Mat than any other brand
- Absorbed leaks and drips blend right in; Exclusive "hamouflage" top layer saves on product and disposal costs; absorbed grime is invisible, so you'll leave mat in place longer and save money!
- Fast-wicking dimple pattern transfers liquids from the top layer into the absorbent inner layers; spills disappear in seconds
- Tough, scuff-resistant, spunbond top layer stands up to heavy foot traffic; won't rip, tear, fray or create a trip hazard, even when saturated
- Under the Ham-O top layer is the proven eight-layer, 100% polypropylene construction of PIG Mat, the strongest mat on the market!
- Absorbs most common industrial liquids - oils, water, solvents, coolants and more
- Flame-resistant material won't burn immediately like cellulose mats; melts when exposed to high heat while on the job
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Dispenser box makes it easy to take, carry and store your mat while protecting it from dirt and moisture
- Heavy-weight construction delivers greater durability and absorbency for demanding tasks and large-volume cleanups

Specifications

Static-Dissipative	No
Floating	No
Reusable	No

Wringable	Yes
Fluid Absorbed	Oils, Coolants, Solvents, Water – Universal
Special Feature	Camouflage Pattern
Color	Green Ham-O
Dimensions	16" W x 20" L
Mat Weight	Heavyweight
Recycled Content	25% or more Recycled Content
Absorbency	Up to 26.1 gal. per box
Absorbency per	Up to 33.4 oz. per pad
Brand	PIG
Perforated	Yes
Sold as	100 pads per box
Weight	19 lbs.
# per Pallet	30
Composition	Polypropylene
UNSPSC	47131901
UV Resistant	No
Pigalog® Page Number	Page 27

Metric Equivalent

Absorbency per	Up to 987.6 mL per pad
Absorbency	Up to 98.8 L per box
Dimensions	40.6cm W x 50.8cm L
Weight	8.6 kg
