

# PIG® Recycled-Fibre Mat

MAT279 Heavyweight, 90cm x 136cm, 12 pads

Tough, absorbent, 100% recycled mat is our best for high-temperature applications.

- Combines absorption with mid-range abrasion resistance to trap grime from boots and wheel trucks
- Abrasion-resistant qualities make it ideal for areas with moderate foot traffic
- Heat resistant up to 204°C (400°F)
- 100% recycled post-consumer fibres (reduces the amount of solid waste going to our landfills!)
- soak up oils, coolants, solvents and water
- Excellent for walkways into offices and other finished areas
- Includes reusable nitrile rubber tray to keep rugs in place and floors dry!
