

# PIG® HazMat Chemical Absorbent Mat Pad

MAT310 Heavyweight, 15" x 20", 50 pads

Lasts 2x longer than ordinary mats for fewer change-outs. Specially made for acids, bases, corrosives and chemical spills.

- Absorbs the widest range of acids, bases, corrosives, chemicals and unknown liquids - even those with high concentrations like 98% sulfuric acid and 30% sodium hydroxide
- Chemical-resistant mat won't degrade or cause a dangerous reaction upon contact with corrosive spills
- Eight layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fiber construction won't leave behind liquids or fiber residue
- Pink color is easily distinguishable to assure workers use the correct mat during a spill emergency
- Flame-resistant material won't burn immediately like cellulose mats; melts when exposed to high heat while on the job
- Heavy-weight construction is highly durable and absorbent for demanding tasks and large-volume cleanups

## Specifications

|                    |                        |
|--------------------|------------------------|
| Static-Dissipative | No                     |
| Floating           | No                     |
| Reusable           | No                     |
| Wringable          | No                     |
| Fluid Absorbed     | Acids; Bases; Unknowns |
| Color              | Pink                   |
| Dimensions         | 15" W x 20" L          |
| Mat Weight         | Heavyweight            |
| Absorbency         | Up to 11 gal. per bag  |

|                                    |                                |
|------------------------------------|--------------------------------|
| <b>Absorbency per</b>              | Up to 28.16 oz. per pad        |
| <b>Brand</b>                       | PIG                            |
| <b>Perforated</b>                  | Yes                            |
| <b>Sold as</b>                     | 50 pads per bag                |
| <b>Weight</b>                      | 8 lbs.                         |
| <b>NSN (National Stock Number)</b> | 7930-01-436-8328               |
| <b># per Pallet</b>                | 72                             |
| <b>Composition</b>                 | Polypropylene                  |
| <b>UNSPSC</b>                      | 47131901                       |
| <b>UV Resistant</b>                | No                             |
| <b>Pigalog® Page Number</b>        | <u><a href="#">Page 73</a></u> |

## Metric Equivalent

|                       |                        |
|-----------------------|------------------------|
| <b>Absorbency per</b> | Up to 832.7 mL per pad |
| <b>Absorbency</b>     | Up to 41.6 L per bag   |
| <b>Dimensions</b>     | 38.1cm W x 50.8cm L    |
| <b>Weight</b>         | 3.6 kg                 |
