

PIG® Grippy® Adhesive-Backed Absorbent Mat

MAT3223 Mediumweight, 36" x 100', 1 roll

Make the switch to the mat that sticks! Our most durable absorbent runner is the only one that *stays put no matter what*® - even under forklift traffic.

- Full-coverage Grippy® adhesive backing holds tight but peels up easily
- No bunching, rippling, flipping or shifting; lays flat and stays flat to help eliminate trips, slips and falls
- Sticks to most commercial floor surfaces including concrete, VCT, linoleum, ceramic tile, quarry tile and laminate flooring
- Heat-fused and needle-punched for incredible durability; won't rip, shred or fray under constant walk-on or wheeled traffic, even from forklifts
- Tested and Certified by the National Floor Safety Institute (NFSI) - When used as part of your floor safety program, high-traction walking surfaces such as PIG Grippy Mat have been proven to reduce slip-and-fall claims by as much as 90%
- 100% polypropylene fibers absorb and retain water, oils, grease, coolants and solvents; prevents dirt, sand and liquids from being tracked onto clean floors
- Liquidproof barrier layer prevents seepage to keep floors completely dry
- Dark color hides grime so mat stays down longer
- Ideal for high-traffic areas like walkways, hallways, entrances and exits
- Easily cuts to size with scissors or utility knife; apply to any clean, dry, oil-free surface

Specifications

Antimicrobial	No
Backing Material	Adhesive-Backed
Indoor/Outdoor	Indoor
Traffic Level	Drive-Over

Fluid Absorbed	Oils, Coolants, Solvents, Water – Universal
Color	Black
Dimensions	36" W x 100' L
Mat Weight	Mediumweight
Absorbency	Up to 11.5 gal. per roll
Brand	PIG
Core Diameter	3"
Industry	Industrial Facilities; Shops & Garages
Perforated	No
Poly-Backed Barrier	Yes
Storage Temp Range	Store between 32°F and 120°F
Temperature Limit	Surface temps from 55°F to 120°F
Walking Surface	Absorbent Top
Sold as	1 roll
Weight	24 lbs.
New Pig Patent	Patent Pending
# per Pallet	18
Composition	Absorbent - Polypropylene Adhesive Backing - Proprietary Adhesive Material
UNSPSC	47131901
UV Resistant	No

Metric Equivalent

Absorbency	Up to 43.5 L per roll
Dimensions	91.4cm W x 30m L
Weight	10.9 kg
