

PIG® Brown Oil-Only Absorbent Mat Roll

MAT525 Lightweight, 30" x 300', 1 roll

Lasts 2x longer than ordinary mats for fewer change-outs, while only absorbing oil and fuels, NOT water. Loves oil. Hates water. Brown color looks cleaner, longer.

- Brown color looks cleaner, longer, by blending in with most environments for both indoor and outdoor use; hides grime, so mat stays on the job longer
- Eight layers of 100% polypropylene are thermally bonded to make PIG Mat the strongest mat on the market; won't rip, tear or fray even when saturated
- Exclusive dimple pattern speeds wicking of liquid throughout mat for faster, easier cleanup
- Highly absorbent, fine-fiber construction won't leave behind liquids or fiber residue
- Absorbs oil and fuels, NOT water
- Floats to clean up spills on water
- Can be wrung out and incinerated after use to reduce waste or for fuels blending
- Flame-resistant material won't burn immediately like cellulose mats; melts when exposed to high heat while on the job
- Rolls are ideal for covering large areas and soaking up leaks and overspray
- Easy-tear perforations let you take only what you need, so you use less mat and save money
- Light-weight construction is economical for small tasks and cleanups
