

PIG Belly Patch

PTY231 For Any Style 55 gal. Plastic, Steel, or Fiberboard Drum, 1 - 7" L x 5" W Patch

Ratcheting strap with urethane patch quickly squeezes leaks to stop the flow.

- Heavy-duty ratchet and nylon webbing hold patch in place
- Soft urethane hugs drum and conforms to any shape
- Resists oil and most aggressive liquids and cleans easily with soap and water for reuse
- 5" x 7" polyurethane patch will cover most leaks
- Reusable design fits steel, fiberboard or plastic 55-gallon drums

Disclaimers

Urethane Notice

Due to the nature of softer urethane, the physical properties of these products may change over time with exposure to certain environmental conditions like temperature, humidity, and UV radiation. Typical life expectancy is 5 years. Please inspect the stored product regularly to ensure it is in a usable state. For more details and for chemical compatibility, please call Technical Services.
