

## Disposable Latex Response Boots

WPL241 Overboot, 12" High, Disposable

Customer favorite for fast, disposable chemical splash protection.

- High-quality boots fit over other boots/shoes to add protection from acids, alcohols and salts
- Features smooth inside finish for easy on/off and non-skid sole for use on smooth surfaces
- Disposable yellow latex boots are .60 mm gauge rubber for reliable performance without rips or tears
- Pairs are individually packaged for easy storage and fast access in emergencies
- Great addition to spill response training that fits easily into spill kits
- NOTE: Men's sizes only; women should order two sizes smaller
