

VaporTrap™ Safety Cabinet Filter

Improves your work environment by reducing employee's inhalation exposure to VOC's

- Reduce harmful volatile organic chemical vapors inside your safety cabinet
- Activated carbon filter medium contained in a stainless steel mesh cartridge adsorbs VOC vapors
- Magnetized base offers flexible placement anywhere within the cabinet
- Date notation area on label serves as a reminder for replacement—life cycle varies based upon vapor types and concentrations

For increased safety, position one or two VaporTrap™ Filters inside the cabinet.

Note: Due to variables such as the chemical itself, its purity, or its vapor pressure, temperature, humidity, charcoal age, etc., it is difficult to estimate VOC vapor adsorption rates. The Justrite VaporTrap™ Carbon Filter is not intended to be used as a substitute for using safe closed containers as required by OSHA and the EPA. It is important to clean up spills and residues from the cabinet and containers.

Description	Nom. Dimensions Filter L x D	Model
VaporTrap™ filter (2 pk.)	8.75 x 2.25 in (222 x 57 mm)	29916

Safety Cabinet Accessories

Accessories offer organization and convenience

Steel Shelf Dividers fit all Justrite cabinets with 14-in (355-mm) deep shelves. Simply place over shelf and slide into position as desired.

Seismic Bracket Kit provides increased stability—ideal for earthquake or hurricane prone areas. One kit secures any safety cabinet to a wall or floor. Because there are no holes created, the fire protection properties of the cabinet remain intact and the cabinet maintains FM approval.

Leg Riser Frame provides sturdy, stable support for easy relocation of empty cabinet with forklift or pallet jack. High leg frame makes it easy to clean underneath and keeps cabinet away from floor moisture. Includes leg levelers and safety warning label: “Forklift Only When Empty”.

Rolling Cart makes it easy to move a heavy safety cabinet—transport solvents and chemicals directly to your work area. All welded 1/8-in (3-mm) thick heavy-duty steel and 5-in (127-mm) poly caster wheels with brakes for added safety. Push handle is removable. Fits any cabinet 43-in W x 18-in D (1092-mm x 457-mm) with a maximum height of 44-in (1118-mm).
