

HEAD & FACE PROTECTION

The hard hat has come a long way since the late 1800s. First inspired by military helmets, today's safety helmets are constructed of sturdy High Density Polyethylene (HDPE), Acrylonitrile Butadiene Styrene (ABS) or fiberglass. Offering great protection against falling objects, our head protection products are tested according to Singapore's SS98:2005 safety standard.

Faceshields protect your face from impact, chemical and heat hazards. Our faceshields meet a variety of safety standards including ANSI Z87.1, CSA Z94, EN166 and AS/NZS 1337. Combine them with our safety eyewear for added protection!

DO YOU NEED A SAFETY HELMET?

HELMETS & BUMP CAPS

SURFLEX BUMP CAPS

The removable ergonomic protective shell composed of abs polyvac provides maximum safety and comfort using stabilizers, anti shock foam cushioning, ventilation points and an anti sweat band. The light weight machine washable nylon shell with large side ventilation panels provides optimum comfort, with an adjustable velcro strap for easy adjustment.

FACE SHIELDS

SENTINEL1

BULLARD SENTINEL I HEADGEAR

Bullard Sentinel face shields are equipped with Bullard's re-engineered, easy-to-grip knobs for ease of use.

- Flex-Gear® ratchet which adjusts to accommodate head sizes from 6 1/2" to 8"
- Sportek® brow pad that pulls moisture away from the skin, creating a drier, more comfortable fit.
- Meets the ANSI/ISEA Z87.1 standard when used with Bullard visors.

300BW

BULLARD DIELECTRIC NYLON BRACKET

Bullard's redesigned line of nylon dielectric brackets offers superior protection with increased versatility and comfort.

- Ergonomic design with easy-to-grip knobs
- Flexibility to accommodate all Bullard Hard Hats and the Bullard Bump Cap
- Band-mounted brackets that fit competitor models
- Visor retainer system that securely locks visor in place

860T

BULLARD TRITAN™ CLEAR FACESHIELD

Bullard visors confirm to ANSI/ISEA Z87.1-2010 standards for eye and face protection when used in combination with Bullard headgear or faceshield brackets.
